

Sustainable camping

**TOGETHER WE CAN DO A LOT.
HOW CAN YOU HELP US AS WELL?**

TRASH? NOT HERE

- Sort your waste into the marked bins;
- Don't throw trash into nature;
- Reduce waste – avoid single-use products.

TURN OFF THE LIGHTS

- Unplug devices when not in use;
- Charge only when necessary;
- Use air conditioning wisely – let the wind be your cooling system!

EVERY DROP COUNTS

- Keep showers short and refreshing.
- Don't let the water run while brushing teeth or doing dishes.
- Our tap water is drinkable!

GO FAR – RIDE CLEAN

- Explore the area on foot or by bike.
- Use public transport for longer trips.
- Let your car take a break too!
